

White Lake Association

Mission Statement

It shall be the mission of the White Lake Association:

To **PROMOTE** the education of riparian property owners and other lake users about the water quality and water safety;

To **SUPPORT** issues which concern the welfare of the lake in general, including conservation of the water supply in the lake and watershed, and maintaining the water quality for safe swimming and conducive to the renewal of the fish resources;

To **SUPPORT** the measurement and evaluation of hydrological data of the lake so that decisions and actions of the Association shall be in line with what is best for the lake;

To **MONITOR** existing and proposed land and water developments that affect the lake and speak for members before local government boards, councils, and commissions, state government authorities, and courts regarding such matters deemed to be in the interest of the members;

And to **FOSTER** and **SUPPORT** those activities and actions which preserve the natural amenities of the lake and public trust, including the rights accruing to the owners of riparian property, the preservation and protection of the public's right to navigate and fish; and the protection of the air, water and natural resources against pollution, impairment and destruction.
